

McCLELLAN'S ELECTION TO BE CONTESTED BY HEARST IN NEW YORK

M'CLELLAN WON BY ONLY 3,000

Jerome Wins Out For City Attorney—Guild and Draper Elected in Massachusetts, But Latter Has Very Small Plurality.

REFORM PARTY SWEEPS PHILADELPHIA CLEAN

And Elects Democrat State Treasurer.—Opposition to Boss Rule Loses Ohio to Republicans.—Results in Other States.

New York, Nov. 8.—Returns from all the districts in Greater New York show that McClellan has been re-elected mayor by a plurality of 3,549. District Attorney Jerome has been re-elected by a little over 11,000. Jerome's plurality with four districts missing is 11,148.

New York, Nov. 8.—The latest count this morning showed that Mayor McClellan has been re-elected by a little over 3,000 votes. Twenty-six election districts are still missing. Hearst will contest the election, charging that the election was stolen by fraud. Declarations are made that a recount will show that Hearst was elected. District Attorney Jerome has taken charge of the election returns in the sixth and eighth assembly districts, where it is charged that the returns were "doctored." He has ordered them locked up and carefully guarded. The latest returns show that Jerome has been re-elected district attorney with eighty-six districts still to be heard from.

Hearst Refused to Believe. At midnight last night, Hearst, refusing to believe he was beaten, made the following statement:

"We have won this election. All Tammany's frauds, all Tammany's corruption, all Tammany's intimidation and violence, all Tammany's election frauds, all Tammany's dishonesty, all Tammany's illegal voting and dishonest count have not been able to overcome a great popular majority. The recount will show that we have won the election by many thousands of votes.

"I shall fight this battle to the end, in behalf of the people and against the boss rule of Tammany."

"WM. RANDOLPH HEARST."

People Backed Jerome, He Says. District Attorney Jerome issued a statement on being assured of his election:

"I was certain that the people would not back up the attempt of the bosses to force me from office. Coming as it does straight from the hands of the people, in spite of the opposition of bosses and money, the election is peculiarly gratifying. The district attorney's office will go for four years more under my direction under the same system that has prevailed for four years.

"There is nothing more to be said, save that it was a test of strength between corrupt bosses on one side and an aroused public opinion on the other. There is no trifling with the people when they have been aroused, and my election is a lesson that the bosses will not soon forget.

"WM. TRAVERS JEROME."

Will Keep Promises. Mayor McClellan, upon learning that he had been elected, issued the following statement:

"The result of the election shows me more plainly than ever my duty to the people. With God's help I will discharge it to the best of my ability. I shall keep every promise made before election."

A Happy Defeated Candidate. Mr. Evans said early last evening:

"I really have little to say, except that I am the happiest defeated candidate you ever saw. The fight is over and it is now ancient history. Now what we want to do is to make new history. I hope that in the next four years I will have a hand in it."

The Successful Ones. The election was as follows: Mayor, George B. McClellan, Democrat. President of the board of aldermen, P. F. McGowan, Democrat.

DISTRICT ATTORNEY WILLIAM TRAVERS JEROME. Who has been the central figure in the New York City fight, where he won a signal victory against the bosses and boss rule.

Comptroller, Herman A. Metz, Democrat.

President of Manhattan borough, John F. Ahern, Democrat.

President of board of Brooklyn borough, Bird C. Coler, municipal owner.

President of Queens, Joseph Bernal, Republican.

President of the Bronx, Louis F. Haf-fen, Democrat.

President of Richmond, George Cromwell, Republican.

Sheriff, Nicholas Hays, Democrat.

The ticket gives 12 votes to the Democratic members of the board of estimate and four to the opposition, Coler being a municipal ownership candidate, and Bernal and Cromwell Republican.

McClellan, Metz and McGowan have three votes each in the board, Ahern and Coler two votes each and the others one vote each.

Tammany's Narrow Squeeze. The extent to which the Tammany organization was shaken may be judged from the fact that there was no fusion of the opposition parties, the means by which the organization has been beaten, but that Jerome running as a candidate of no party and with his record in office as his platform, succeeded in overcoming the former prestige of the Democratic organization and Wm. Randolph Hearst, standing as the nominee of the Municipal Ownership League, a new factor in New York politics, came within a few thousand votes of being elected mayor.

Jerome's triumph was almost entirely a personal one and showed that an appeal may be made successfully to voters on the strength of personal honesty and persistent, systematic denunciation of graft and political bossism.

Mr. Jerome's campaign was conducted with special opposition to Charles F. Murphy, leader of Tammany Hall, and his reputed wealth, and the result practically is a defeat for Murphy as well as for Osborne.

DRAPER'S CLOSE CALL IN MASSACHUSETTS

Republican Candidate for Lieutenant Governor Defeated Whitney by Less Than Two Thousand Plurality.

Boston, Nov. 8.—Lieutenant Governor Curtis Guild, Jr., of Boston, the Republican candidate, was elected governor of Massachusetts in the state election yesterday by a plurality of 23,116 over Gen. Charles W. Bartlett of Boston, the Democratic candidate.

For the second place on the ticket, for which there was an unusually warm contest, Eben S. Draper of Hopkinton, the Republican candidate, won over Henry M. Whitney of Brookline, his Democratic opponent, and the leading advocate of reciprocity, by a plurality of 1,996.

The Republicans also elected the usual large majority in both branches of the legislature.

Return for governor from all of the 254 cities and towns gives Bartlett, Democrat, 174,394; Guild, Republican, 197,312. Guild's plurality, 23,116.

Returns for the lieutenant governor from the entire state show Draper, Republican, 182,197; Whitney, Democrat, 180,201. Draper's plurality, 1,996.

The Democrats gain in both branches of the legislature, three in the Senate and one in the House. The legislature of 1906 will stand:

House: Republicans 169, Democrats 20, Independent 1.

Senate: Republicans 24, Democrats 6.

Will Petition the Court. Boston, Nov. 8.—Arthur L. Yaman, chairman of the executive committee of the Democratic state committee, is authority for the statement that they will petition for a recount of the vote for lieutenant governor.

LANDSLIDE FOR REFORM. Philadelphia Swept by It, Claiming Plurality of 60,000.

Philadelphia, Nov. 8.—Philadelphia has been swept by the reform movement, the city party winning by a surprisingly large plurality.

While returns from only six of the 42 wards in the city had been counted up to midnight, enough was known of the result in the remaining wards to indicate the defeat of the Republican local ticket by from 60,000 to 75,000 plurality.

The victory of the city party carries with it the election of William Berry, the Democratic and reform candidate for state treasurer. J. Lee Plummer, the Republican candidate for the office, was badly out throughout the city and state, and he has lost his own county, which is usually Republican.

The result has every appearance of a landslide for reform, not only in Philadelphia but throughout the state.

Republicans Simply Dazed. Every fresh return from the city and state serves only to increase the reform party majority and make the defeat of the Republican party more decisive. Leaders of the latter are simply dazed over the result. Berry, state treasurer, swept the state by 90,000 plurality. In the city the majority for the reform party will not be less than 45,000.

Philadelphia, Nov. 8.—City Party Chairman Edmunds last night sent the following telegram to President Roosevelt:

"Philadelphia has arisen to its opportunity and stands redeemed. The principle of honesty in government so effectively aroused by you has won overwhelming triumph. Our majority approximates 75,000."

DEMOCRATS CARRY OHIO. Boss Cox Conceded the Election as Early as 7 O'Clock.

Cincinnati, O., Nov. 8.—George B. Cox at 7 p. m. last night, conceded Dempsey's election as mayor by 15,000, and that Patterson had carried Hamilton county by 12,000. He says Patterson, Democratic candidate for governor, had carried the state by 60,000.

In the cities the Republican loss exceeded 100 to the precinct, but as the loss per precinct outside of the large cities was so far as reported only about 30 there was no certainty that the loss would run high enough to wipe out the 230,000 Republican plurality with which comparisons were made. Less than 300 of the 4,200 precincts had been heard from at 11 o'clock.

Republicans Concede Ohio. Columbus, O., Nov. 8.—Chairman Dick of the Republican state committee, at noon issued a statement in which he conceded the election of Patterson with several counties to hear from. Patterson seems to have 40,000 plurality.

Utter's Plurality 5,668. Providence, Nov. 8.—Returns from all but one voting district give Utter, Republican, 5,668.

STRUCK BY A TRAIN.

Louis Fitzgerald, a Rider in the Steeple Chase Races, Ground to Pieces.

Great Neck, L. I., Nov. 8.—Louis Fitzgerald, son of Gen. Louis Fitzgerald, met with a shocking death last evening by being struck by a train at the station here. Mr. Fitzgerald, who had been riding in the steeple chase races at W. Gould Brook's place in the afternoon, came down to the station on foot, as he did not wait for a conveyance, and started to run for the train, which was about to pull out for Long Island city. As he ran across the track he did not notice an east bound train, which was just coming up to the station. He stepped in front of the locomotive of this train and was ground to pieces before it could be stopped.

Mr. Fitzgerald was one of the most prominent riders in the steeple chase contest at Brook's place in the afternoon and rode Tiger Lily, which stumbled and broke its leg. The horse had to be shot.

This accident, in which young Fitzgerald escaped injury, occurred within a short time before he was killed by the train.

OUT OF HEAD, SHOT TWO MEN

A Barre Young Lady Acts Strangely at Woodsville

DURING INSANE SPELL.

Christine Bau Hit One Man in the Leg and Another in the Leg and Hand, and Pulled Trigger on a Policeman.

Woodsville, N. H., Nov. 8.—A young woman, who gave the name of Christine Bau and said she lived in Barre, Vt., after taking supper in a local hotel, appeared on the streets armed with a revolver and began shooting. J. B. Burt, a fireman on the Montpelier and Wells River railroad, who was on the street just in front of the Y. M. C. A. rooms, was hit by the bullets. He was wounded twice, once through the hand and once in the leg, and Clarence Gomeyer received a shot in the leg just below the thigh.

The wounds in neither case are dangerous. The woman aimed her revolver at the officer who attempted to arrest her, but as the cartridges became exhausted no damage was done.

The woman says she was shooting for fun, and admits that she never saw either of the young men whom she wounded before. It is believed that the young woman is insane, and efforts are being made to notify her friends at Barre.

The woman mentioned in the despatch is a daughter of the well known photographer, Christine Bau, and is a very estimable young lady. At times she is stricken with mental aberration and during these spells wanders away from home. A few years ago she went to White River Junction and there attacked one of the firemen with a knife, inflicting no wounds, however.

Last evening at ten o'clock Chief Brown was asked to notify the young lady's father that the authorities in Woodsville wished to speak with him. Mr. Bau talked over the phone and learned of the whereabouts of his daughter and of her strange behavior. He left this morning for Woodsville to get Christine. The young lady left this city yesterday afternoon on the three o'clock train and must have gone direct to Woodsville.

One of the young men, Burt, is a resident of Montpelier, and was brought to that place today and carried to his home, 60 Prospect street. Dr. Chandler was summoned to care for him. The doctor found that the bullet had pierced the man's hand and entered the leg, the hand having been held on the latter member at the time. The bullet is still in the leg, and the doctor thinks considerable there will be serious consequences.

Burt is a fireman on the Montpelier & Wells River railroad, running on the mixed train between Montpelier & Wells River. He is 23 years of age. He says that he had just washed up at the hotel, where he stops in Woodsville, and was coming to the hotel when he was confronted by the young woman.

Montpelier, Nov. 8.—Wesley Lewis of East Montpelier, who was arrested on Monday evening by Sheriff Tracy for grand larceny, was bound over in city court yesterday to await the action of the grand jury. Bail in the sum of \$350 was fixed, which Lewis hopes to raise.

Mrs. H. L. Watson and P. L. Templeton are examining into the mental condition of "Shotgun" Foster, who is under arrest charged with grand larceny. It is probable that Foster will be sent to the state hospital for the insane at Waterbury for further observation.

Tendered Welcome Reception.

Mainfield, Nov. 8.—A reception was given at the home of Mr. and Mrs. A. N. Flood Tuesday evening in honor of Mr. and Mrs. H. J. Flood who have just returned from their wedding trip to Boston. The marriage occurred last week. It united two very popular young people of this place, as Miss Lucille Shorey, the bride had gathered a host of friends not only in this town but in Barre where for several years she was employed as cashier in McWhorter's store. The groom moved to the village from the farm a year or two ago, when he began work in the creamery here, the position that he now holds. During his residence here he has become a great favorite among the young people.

A large attendance was present at the reception Tuesday. Refreshments were served and a very pleasant evening was passed. Mr. and Mrs. Flood were the recipients of many beautiful as well as useful gifts. They will reside with Mr. and Mrs. A. N. Flood for the present.

Reported She Was Held Up.

A woman who said that she was "Mrs. Henry" reported at the Montpelier police station last night a hold-up on the Northfield road. The woman was driving to Montpelier and when near the Denny farm she met a team going toward West Berlin and driven by a woman. The latter woman was being held up by a strange man. Both women screamed, and just then a third team came along, and the hold-up man disappeared.

MUCH MALT EXTRACT SEIZED BY POLICE

Also 27 Bottles of Jamaica-Ginger and Five of Another Stuff—A. Tomasi's Cases Continued.

Anthony Tomasi made no secret of a stock of a bottled stuff labeled "Malt Extract" but put some of the bottles in his store window in North Main street. The state's attorney became suspicious of the extract and yesterday afternoon Chief Brown, Officers Hamel and Faulkner and Constable Nichols seized Tomasi's visible supply of it, (one-half a barrel of bottles) and along with it 27 bottles of Jamaica-ginger and five bottles of stuff labeled "Fruit Brandy." They also found five empty barrels which had contained the extract, four mugs and three glasses.

Just the exact nature of the liquid in the "Malt extract" bottles the state's attorney is unable to state. The bottles which will hold two glasses, bear on the label "The Bavarian Malt Co., Munich, Germany" but stamped on the bottom of the bottle is "Continental Brewing Co., Boston, Mass." The label reads that a dose is a wineglass-full three to five times a day, and pays the following tribute to its worth: "Liquid food, a malt extract, a highly concentrated nutritive tonic, for loss of appetite, dyspepsia, poor digestion, wasting diseases, chronic debility, impoverished blood, etc. Keep well cocked and in a cool place." The state's attorney may have the stuff analyzed to determine its make-up.

Tomasi was arrested and brought before Judge Fay, on the charges of selling and keeping. The cases were continued for trial until Monday. Bail was fixed at \$550, and the respondent and his brother, G. Tomasi, were recognized as surety.

MANY TURNED AWAY.

Masonic Fair Rooms Were Jammed to Limit Last Night.

Over nine hundred tickets were taken in at the Masonic fair last evening and fully two hundred people were turned away. As early as half past seven the hall was crowded and at eight people still continued to come. The crowd got so dense in the hall that it was impossible to move around and when the entrance door was finally closed the stairs and the sidewalk were crowded with people who had to go home. The minstrel show was very much enjoyed and was well presented.

The result of the voting contest for Tuesday night is as follows, Ben Bruce 154, Nellie Corsie 138, Alex Milne 30, Miss E. V. Young 28, William Emalie 24, Peter Alexander, 11, Eugene Sullivan 12, Henry Canning 7, L. H. Hooker 6, Miss Leda B. Stevens 5, Ward Carver 4, J. McKenzie 4, Frank Burke 3, James Cassidy 3, James McKernon 2, James Lawson 2, William Barclay 2, Gust Anderson 1, John Robins 1, Carl J. Nelson 1, Alex Bruce 1, R. M. Beagrie 1, Mrs. W. Durkoe 1.

THE LEAGUE'S PURPOSE.

To Reduce Number of License Towns in State.

Burlington, Nov. 7.—At the State Anti-saloon League meeting yesterday afternoon Superintendent Ferguson, Field Secretary Davenport, the Hon. Frank Plimley of Northfield, F. S. Rea of Burlington and the Rev. N. A. Wood of Vergennes were elected delegates to the annual convention of the National Anti-Saloon League to be held at Indianapolis, Ind., November 20-22.

The question of enlarging the Vermont issue, the organ of the league, was discussed and the matter was left with the superintendent and field secretary with the power to act. In view of several unauthorized and incorrect published statements as to the proposed policy of the league, the headquarters' committee unanimously passed the following resolution:

"Resolved, That the chief stress in league work for the present be laid on an effort to reduce the number of license towns in the State at the next March meeting."

GOING HOME, WAS KILLED

David Gillispie of Gouldsville Met Death On Track.

BODY HORRIBLY MANGLED

And Thrown 45 Feet Away from the Central Vermont Railroad Track—Was a Young Man of Genial Disposition.

David Gillispie of Gouldsville, who has been working in Woodsville, N. H., was in Montpelier yesterday on his way home for a visit. This morning his body, horribly mangled, was found beside the Central Vermont railroad tracks not a great ways from Northfield. The cause of death is not known but it is supposed that he was run over by a train, probably the early morning northbound express. Very likely he was making the trip from Montpelier on foot and was using the track.

The body was lying 45 feet from the track at a place called the "dry bridge". The head was crushed in. Chief of Police Hutchinson of Northfield was notified, also the selectmen and Dr. Winch of the same town. They ordered the body removed to undertaking rooms in Northfield, where an autopsy was performed today. Death must have been instantaneous. The young man had at times been addicted to the drink habit, but yesterday when in Montpelier he told some friends that he had not been drinking for some time. Whether or not he was intoxicated last night is not known.

Gillispie was 25 years of age and unmarried. He was a fellow who was very much liked and his sad end came as a shock to his friends. He was a plumber and worked for a time in Peck Bros. store in Montpelier, going from there to Northfield. He leaves three brothers and one sister.

DENNIS BROUGHT BACK TO FACE CHARGE

Former Attendant at Waterbury Asylum to Answer to Manslaughter in Death of Peter Durant, a Patient.

Waterbury, Nov. 8.—Deputy Sheriff C. C. Graves returned yesterday on the afternoon mail from Springfield, Mass., accompanied by F. J. Dennis, one of the attendants wanted on the charge of manslaughter, whom he had gone there to arrest. Dennis had previously been taken in custody by the police of Springfield on instructions from Mr. Graves, and he found him at the police station, in charge of the city marshal. Dennis waived requisition and readily consented to accompany the officer back to Vermont. Mr. Graves telegraphed ahead to notify Dennis' counsel, Clarence Senter of Montpelier, and Sheriff F. H. Tracy to meet him at that place, and he was accompanied to Waterbury by these gentlemen.

At this place Dennis was for the second time brought before Justice of the Peace G. H. Dale. He waived examination and was bound over for the next sitting of the grand jury in the sum of \$1,000. Being unable to furnish this amount, he was taken to Montpelier on the evening train last night, by Sheriff Tracy and placed in the county jail.

Dennis appeared quite cheerful, but was evidently worried. The defense of the two attendants will probably be that the injuries found on the body of Durant were accidentally inflicted. Dennis' story is that two patients got to scuffling in the dining room, that Durant kicked a chair from underneath one of them, and so caused him to fall over on him (Durant). The injuries on the chest, the claim, were due to this and not to any abuse by the attendants.

It will be remembered that Coon declared Monday that he and Dennis were attacked by Durant with a knife, and acted in self defense.

HE IS NOT SATISFIED.

Montpelier Man Wants Part of Mother-in-law's Estate.

Burlington, Nov. 8.—An appeal was taken yesterday by Harry L. Brooks of Montpelier from the decree of distribution in the estate of Mary Kilder Chamberlin of this city, who died about four years ago. In her will Mrs. Chamberlin included a clause to the effect that after the death of her husband the homestead premises on North Union street should be sold and \$2,500 able to be invested in a house and lot to be given to her daughter, Bertha C. Brooks, wife of Harry L. Brooks, for a home.

After Mrs. Chamberlin's death Mrs. Brooks died and a short time later the death of Chamberlin occurred. This prevented a new phase of the will and Judge Bingham decreed that because Mrs. Brooks had died previous to the death of Mr. Chamberlin the clause relating to the sale of the homestead had no bearing and he held that the property reverted to the estate and should be distributed jointly with the remainder of the estate. It is from this decision that the appeal is taken. The matter will come before the Chittenden county court at the March term.
